

W TRACK CURRENT LIMITER

120V and 277V Track System

WAC LIGHTING

Responsible Lighting®

Low Cost Energy Code Compliance Made Easy

- Easy to install and assures compliance to energy codes such as California Title 24 or ASHRAE 90.1 requirements in terms of power density
- If the track is overloaded the current limiter circuit breaker will trip and shut down power to the track.
- May be reset when the overall sum of fixture wattages are reduced below the circuit breaker rating
